Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

400 99 MAY 10 10:06

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I finally found someone + something that truly does help and now you want to make it harder for me to get.

How can anything made with natural ingredients hurt, and I'm sick of government running my medication.

I ~~to~~ pay an arm and a leg already, now you want to make me pay more, and not get the quality I get.
